CANCELLATION/PAYMENT POLICY

We make every attempt to respect your time and when you make an appointment, that time is being held just for you. We understand that emergencies happen, but ask that you contact us as soon as possible if you cannot keep a scheduled appointment.

APPOINTMENTS:

- Please give us 24 hours notice when canceling or changing an appointment. This allows us to use that time to serve someone else.

- **First broken appointment:** may be rescheduled.
  Second broken appointment: will result in a charge of $45.00, which will be billed directly to you. You may not make another appointment until this charge is paid.
  Third broken appointment: we will provide treatment for 30 days on an emergency basis only. At that time, you are welcome to find another dental office.
- If you are an established patient and you arrive 10 minutes late or more to your appointment you may be asked to reschedule unless the clinician's schedule can still accommodate you.

You are responsible for remembering and keeping appointments. We do offer courtesy appointment reminders, by phone to help you avoid missed appointments.

PAYMENTS:

- Payment is expected at time of service.
  If we participate with your insurance plan, copays are due at the time of service. We will provide an estimate that is good for 90 days. Please ask if you are unsure whether we participate with your insurance plan.
- If we do not participate with your insurance plan or you do not have insurance, payment in full is expected at the time of service or, if multiple visits are necessary to complete the procedure, by the time treatment is complete.
- Our office manager can discuss payment plan options with you.
- There is a $35.00 fee for returned checks.
